

# Community Report

## President's Message A Year of Transition

Dear Community Members,

Having traveled through our historic and enjoyable 100th Anniversary year in 2016, we christened 2017 as a year of transition, as we planned and moved forward with our organizational affiliation with Hartford HealthCare (HHC). Members of the leadership team from Charlotte Hungerford Hospital (CHH) and HHC submitted applications and received

Daniel J. McIntyre

approvals for an affiliation agreement to be fully executed. These approvals were granted by the Connecticut Attorney General's Office, State of Connecticut Office of Healthcare Access (OHCA) and the Federal Trade Commission. The process of obtaining a Certificate of Need (CON) began in November of 2016 when CHH and HHC submitted the CON and Cost and Market Impact Review applications to OHCA. These applications were declared "complete" by the state,

and a public hearing was held on May 8 at Torrington City Hall to receive testimony on the proposal from CHH, HHC and members of our community and other members of the public.

A tremendous amount of preparation was done to prepare for the public hearing, and we thank all of the dedicated staff from both organizations who worked tirelessly for months conducting research, writing and speaking on the application, including Elliot Joseph, Jeff Flaks, Dr. Rocco Orlando and David Whitehead of Hartford HealthCare. Thanks as well to CHH staff members Brian Mattiello, John Capobianco, Anne Vilhotti and Susan Schapp, and CHH Board of Governors John Janco, Diane Libby, John Lavieri and Maria Coutant Skinner.

In addition, we are extremely grateful to the individuals who provided public testimony in favor of the proposal, including Mayor of Torrington Elinor Carbone, Mayor of Winsted Candy Perez and former Connecticut state legislator Roberta Willis. Our thanks as well to community leaders, patients and staff members, including Fred Rosa of Champion Ambulance, Chris Little of Norfolk Volunteer Ambulance, Joanne Borduas of the Community Health and Wellness Center in Torrington, Patient Advocate Maria Cravanzola, CHH Cardiologists Dr. Carrie Wolfberg and Dr. Joseph Abreu, Dr. Mark Tramontozzi of Backus Hospital Board, Dr. Dan Kombert of the Hospital of Central Connecticut, and Heather Capabianca, Coordinator of Allied Health at Northwestern Connecticut Community College.

By November, OHCA issued a favorable order approving the CON application with 23 attached conditions. Then, the

documents were signed to fully execute the affiliation agreement. The new affiliation would become effective January 1, 2018, after which a strategic planning process would be immediately launched to outline the priorities, projects and plans for meeting the future healthcare needs of our Northwest Connecticut residents.

It was a very special moment on Monday, December 18, 2017, when representatives from CHH and HHC gathered in our historic Memorial Building conference hall for the official signing ceremony. This was a fitting location as the room in 1916 was the hospital's first maternity ward where new lives and families began their journey together.

We were delighted to finally "bathe" in the realization that after more than 30 months, we could proudly become a respected and energized member of the Hartford HealthCare family. Now it seems so long ago that we began our search for an organizational affiliation that would be built on a forward-looking vision common to both parties, a shared set of values and an appreciation of the term "mutual respect." Upon signing our Affiliation documents, we offered our thanks to our employees and medical staff for their contribution to our long journey to affiliation, and we thanked our Board of Governors for its wisdom, sense of duty, strength and extreme diligence. We also thanked our corporators for their courage, trust and support over so many months. We continued to offer our perpetual thanks to you, our community of patients and families for your faith and loyalty. Finally, we offered our thanks to the respected leadership of our new Hartford HealthCare Family for its truly unwavering commitment to our journey together, through some of the most difficult years of healthcare history in our state.

It is inspiring and rewarding to realize Charlotte Hungerford Hospital has spent the last 100 years fulfilling Uri Hungerford's wish of bringing "hope and comfort to our ill and injured." Just when our mission became challenging beyond precedent, we have, through this affiliation, found hope for our hospital's future, comfort in trusting in our new Hartford HealthCare family and a newfound energy propelling us to continue and expound upon our noble work.

Respectfully,

Daniel J. McIntyre  
President, Charlotte Hungerford Hospital  
Senior Vice President, Hartford HealthCare

Sleep Studies	584	591
Speech therapy treatments	701	668
Ultrasound exams	9,166	9,300

## Patient Safety – Priority #1

### Safety Coach Initiative

Safety coaches are specially trained, clinical staff members who help teach and support the reliable use of safety behaviors to keep patients, families, employees and visitors safe. Their goal is to reduce unintentional errors, encourage open communication and identify and share safety improvement opportunities.

### Antibiotic Stewardship Program

A new program where Pharmacy and Infectious Disease staff regularly meet to review antibiotic use in hospitalized patients has helped reduce serious infections such as C-difficile. This frequent

review of patient medications allows for prompt changes to prescribed medications if needed and helps assure patient safety.

### Tru-D SmartUVC Robot

CHH introduced a germ-eliminating ultra-violet disinfection robot to its already stringent list of disinfection routines aimed at protecting patients from serious hospital-acquired infections. Its purchase was made possible in part by a grant from The Draper Foundation Fund, a fund of the Northwest Connecticut Community Foundation.

CHH introduced a germ-eliminating ultra-violet disinfection robot to its already stringent list of disinfection routines aimed at protecting patients from serious hospital-acquired infections. Its purchase was made possible in part by a grant from

## Patient Experience – Delivering Quality Care

### CHH Emergency Department Improvement Project

CHH’s comprehensive, multi-year Emergency Department renovation and expansion project moved forward bringing online a new entrance, waiting area, nurse stations, and 15 new state-of-the-art treatment rooms. Designed to modernize and enhance infrastructure and patient care services, the project should be completed in 2018 with a new behavioral health area and ambulance entrance.

### CHH Diabetic Foot Center

The CHH Multi-Specialty Group added a new Diabetic Foot Center to its roster of physician practices and services headed up by CHH Podiatric Surgeons Dennis D’Onofrio, DPM, FACFAS, and Darren Winkler, DPM. The service provides effective, timely diagnosis and treatment of foot wounds for diabetic patients.

### “Living Photo” Moving Art Displays

photography with the addition of subtle movement.

Caregivers at CHH and Colebrook artist Debra Lill collaborated to create five new and very unique “Living Photos” art displays put on permanent view at several CHH outpatient locations. Referred to also as “Virtual Views,” the art is a collection of photos in motion that are displayed in digital frames created with video loops that enhance traditional nature

### CHH Wound Care & Hyperbaric Medicine

CHH Wound Care & Hyperbaric Medicine received the Robert A. Warriner III Center of Excellence award given to wound care centers in the Healogics network that have met the highest level of quality standards for a minimum of two consecutive years. The center achieved patient satisfaction rates higher than 92 percent and a healing rate of at least 91 percent in less than 31 median days for two years in a row. The center also welcomed its new medical director, William Gray, MD, who previously served as a primary care physician with the Eastern Connecticut Health Network.

Warriner III Center of Excellence award given to wound care centers in the Healogics network that have met the highest level of quality standards for a minimum of two consecutive years. The center achieved patient satisfaction rates higher than 92 percent and a healing rate of at least 91 percent in less than 31 median days for two years in a row. The center also welcomed its new medical director, William Gray, MD, who previously served as a primary care physician with the Eastern Connecticut Health Network.

## Community Outreach – Making A Difference

### Litchfield County Opiate Task Force

Founded in 2013 by CHH and the McCall Center for Behavioral Health, the group is comprised of professionals and advocates from a wide range of non-profit, private and public sector organizations to help address and reduce the harmful effects of the region’s opiate epidemic. It sponsored the first NWCT Overdose Awareness Day Vigil to bring people together to commemorate the lives of those lost to opioid overdose and share support and resources to help those affected by addiction.

Founded in 2013 by CHH and the McCall Center for Behavioral Health, the group is comprised of professionals and advocates from a wide range of non-profit, private and public sector organizations to help address and reduce the harmful effects of the region’s opiate epidemic. It sponsored the first NWCT Overdose Awareness Day Vigil to bring people together to commemorate the lives of those lost to opioid overdose and share support and resources to help those affected by addiction.

### NWCT Regional First Responder Program

Several EMS agencies in Northwest CT, working with Charlotte Hungerford Hospital and Litchfield County Dispatch, developed a new mutual aid agreement that enables EMS personnel that may be closer to respond when 911 is activated.

The Regional First Responder Program is an innovative new program in Northwest Connecticut that allows participating ambulance services to respond to emergencies affecting the citizens within their neighboring communities.

## Giving and Receiving – Support That Matters

### CHH Pink Rose Fund

Members of the Lewis Mills High School 2017 Girls Volleyball Team all pitched in and helped raise \$857 in donations to support the CHH Pink Rose Fund, which promotes local breast cancer screenings, education and treatment. Torrington Big Y World Class Market also gave the fund a \$6,000 donation as part of its 10th Annual Partners of Hope Campaign.

### Stronger Women Challenge

CHH Rehabilitation, the Northwest Connecticut YMCA and Torrington Missfits Boot Camp held their 4th Annual Stronger Women-Stronger World 5K Obstacle Challenge this past summer raising over \$7,000 for five local charities that serve women in Northwest CT.

continued on page 4

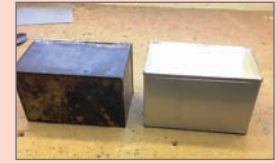

## Giving and Receiving – Support That Matters

continued from page 3

### CHH Diabetes Education Program

The CHH Diabetes and Endocrinology Education Program benefited greatly from the financial support of many local community groups, including \$1,750 from the Harwinton Lions Club, \$750 from The Torrington Lions Club, and \$740 from The Torrington High School 2017 Girls Volleyball Team. The gifts are used to help fund programs and new state-of-the-art glucose monitoring technology for diabetes patients.

### Our New Cornerstone Box

On February 22, 2017, hospital officials sealed a new stainless steel box in the wall behind the cornerstone of the main tower building containing current documents and memorabilia. It is the hope of all that future staff members will find and open the box in 50 or 100 years and relive once again our incredible history.

## Volunteers and Chaplains

The Charlotte Hungerford Hospital Volunteer Program provides essential, supplementary and complementary services to patients, families, visitors and staff. In 2017, the program had over 170 active volunteers in both non-clinical and clinical areas of the hospital and Chaplains who donated over 13,000 hours of service. We are very grateful to all our many dedicated volunteers and chaplains who work with us throughout the year.

If you would like more information about becoming a Charlotte volunteer, please contact us at (860) 496-6470.

Volunteer Ed Potter is a special part of the medical records department. He performs quality control tasks to ensure that information on discharged patients is recorded properly. Ed began volunteering in July of 2005 and has contributed over 13,330 hours of his time, the highest number of hours by current volunteers. Thank you Ed and all the CHH Volunteers for their dedication and commitment to Charlotte!

\* Gifts made to the CHH Pink Rose Fund

## Fundraising Events

Charlotte Hungerford Hospital would like to thank the following supporters for all of their generous grants, funding and volunteer time spent assisting the hospital during 2017. State grant totals are for Fiscal Year 2017.

- \$111,000 raised from the 16th Annual CHH Golf Classic to support enhancements and equipment for our multiphase Emergency Department renovation and expansion project
- \$39,000 raised from the Fall 2017 Autumn in the Hills Dinner
- \$37,000 raised from the CHH Annual Appeal to benefit the CHH Patient Program Fund, Hospital Environment Fund and Employee Care Fund
- \$1,200 raised by the CHH Buy-A-Brick Program to support the CHH Hospital Environment Fund

## Health Grants

- \$961,673 from the CT State Department of Mental Health and Addiction Services
- \$683,286 from the Department of Children and Families
- \$418,871 from Child First
- \$151,057 from the Office of Victim Services
- \$26,900 from the Susan G. Komen for the Cure CT
- \$17,500 from the Draper Foundation for Tru-D infection control technology.
- \$6,000 donation from Torrington Big Y to benefit the hospital's Pink Rose Breast Cancer Fund
- \$1,700 donation from Torrington Country Club members for women's health programs
- \$1,000 from Miles For Moe Fund for equipment to benefit special programs at the CHH Center for Youth and Families

## In-kind Gifts

- Quilts That Care donated beautifully handmade quilts and port pillows.
- Winchester Congregational Church, Center Congregational Church, St. Anthony of Padua Church and Immaculate Heart of Mary Church members and Barbara Lewis donated lovingly hand crocheted and knitted prayer shawls, lap robes and caps, and creative handmade pillowcases were donated by Rena Garrett.
- Imgard Sturm, Jo-An Cracco, Gertraud Sawula, Judith Noddin and Dorothy Schiedel donated a delightful and colorful array of handmade baby blankets and caps to the CHH Maternity Center.
- Mr. Bob Batky donated Bears by Ellie, lovingly made by his wife, to young patients at CHH who need a buddy.
- Regional #7 Future Farmers of America donated homegrown poinsettia plants to beautify the hospital at holiday time.
- CHH would also like to thank all of our generous business partners and supporters who donated gifts for the raffle and silent auctions at our annual fundraising events.

Thank you for your generosity.

## Charlotte Hungerford Hospital Auxiliary

The Charlotte Hungerford Hospital Auxiliary Board of Directors has 22 active members. Its membership continues to rely upon the generous patronage of the Litchfield County community for all of its endeavors.

Ongoing projects include special vendor sales on the hospital campus, the Artist of the Month program, membership donations and the annual fashion show. In addition, the Auxiliary Board operates the Gift Shop, located in the main building. Proceeds from the Gift Shop are used to fund various projects, as well as assist the hospital in obtaining requested goods and services for the benefit of the community at large.

Because of the never-ending support, the auxiliary has been able to provide the annual 10 auxiliary scholarships and continues to oversee the Dr. J. Alfred Fabro scholarship and the Dr. Joseph Curi scholarship. These scholarships benefit local students who have chosen a career in a health-related field. It is auxiliary's pleasure to continue to aid and encourage students who wish to serve our community in this capacity.

As Charlotte Hungerford Hospital moves forward with the Hartford HealthCare partnership, the auxiliary looks forward to continuing to serve both the community and the hospital. Auxiliary members thank the community for its continued patronage and support.

From left, auxiliary members Cath Pezze, president; Judith Hogan, vice president; Barbara Pudlinski, correspondence secretary; and Rosalie Strano, treasurer. Jennifer Correia is recording secretary.
